Remembering . . .

Electronic publication by Providence Archives, Seattle, Washington

This booklet is a memento of Sacred Heart's Centenary Year. It is dedicated to the graduates, faculty and Sisters of Sacred Heart School of Nursing. The School of Nursing was an integral part of the hospital for 75 years. We can reflect on the past with joy and gratitude for the careers and friendships which began and were nourished there. We have a heritage of which to be proud and a challenge to help keep that heritage alive through a strong, committed Sacred Heart School of Nursing Alumni Association.

Betty J. Harrington
Director, School of Nursing
1961-1973

*If anyone should ask me
to give a reason
Why I loved my friend
There could be only one answer:
"Because she was she,
Because I was I."*

This quote from the yearbook of the class of 1972 personifies the two most important things I feel we all obtained from our schooling; a caring profession and enduring friendships.

SCHOOL PLEDGE

As a loyal daughter of the Sacred Heart School of Nursing
I pledge myself to hold high her traditions
And to be ever faithful to her ideals of service —
For God and humanity,
Most Sacred Heart of Jesus,
I place my trust in Thee. (*3 times*)

SCHOOL SONG

Here's to the Spirit of dear Sacred Heart
Standing for service forever;
Your aims and ideals we'll never let part
But keep to with earnest endeavor;
Here's to the glory of duties well done
Answering humanity's call
Leaving no task till the goal be won
In sympathy caring for all

Chorus:

Sacred Heart School of Nursing
Sacred Heart School of Nursing
True to your teaching we'll always be

Sacred Heart School of Nursing
Sacred Heart School of Nursing
In service to God and to humanity

Often it seems that our effort must fail
The way appears long and dark
When lo your kind spirit lifts the veil
On the wings of hope we embark;
And once again we forge on anew
Cheered by your friendly aid
Proving we're true forever to you
With love that never will fade.
