

Remote Library Access

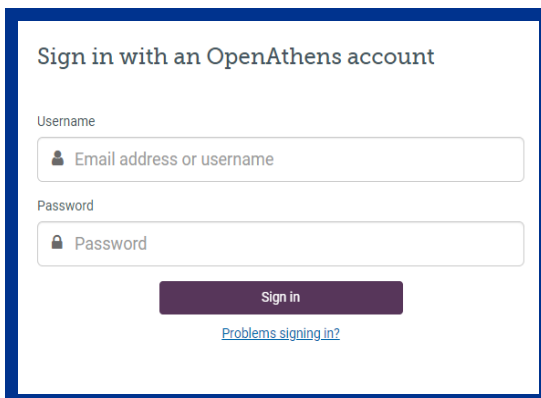

www.providence.org/library

- ⇒ When working off campus, Providence caregivers will be prompted to log in to access library resources
- ⇒ At the following screen, select “Providence - all caregivers” then enter your network username/password

The screenshot shows the Providence login interface. On the left, there is a box titled "Choose how to sign in" with two options: "Providence - all caregivers" (with a right arrow) and "OpenAthens" (with a right arrow). Below this box is a small text: "By using this site you agree to us setting cookies. Please see our [privacy and cookie information](#)". At the bottom of the box is "Powered by OpenAthens". On the right, the "Sign in" page is shown with the Providence logo, a text input field containing "username@providence.org", a link "Can't access your account?", and two buttons: "Back" and "Next".

- ⇒ University of Providence & CHOC affiliates select OpenAthens option & enter your OpenAthens username/password

The screenshot shows the OpenAthens login page. It has a title "Sign in with an OpenAthens account". There are two input fields: "Username" with a placeholder "Email address or username" and "Password" with a placeholder "Password". Below the fields is a "Sign in" button and a link "Problems signing in?".

Seeing a *Find your Organization* screen instead? Search *Providence*, then follow instructions above

Did You Know?

We have an app in Azure (myapps)

1. Go to Azure at <https://myapps.microsoft.com>
2. Log in with your network username & password
3. Enter “library” into the search bar
4. Select the System Library Services app

This will redirect you to the library’s website and you should not be prompted to log in again as you search!
