

# Guidelines for Sacred Heart Children's Hospital Kids Craft Kits

Thank you for thinking of our patients and contributing to our supply of craft projects. We use these kits daily as activities for children who are unable to visit the playroom.

## How to assemble a craft kit

1. Decide on a craft project and get approval
2. Gather supplies in bulk to complete the project
3. Purchase Ziplock bags to put the kit parts into
4. Make a copy of the instructions for each kit
5. Place the supplies for the project along with the instruction sheet into the Ziplock bag and seal

## Greatest need

- Bead projects (bracelets, key chains, etc)
- Projects for boys (paper airplanes, etc)
- Scrapbook kits

## Other ideas

- Simple coloring packets with crayons included
- Paper projects like puppets and masks
- Picture frames
- Wood projects
- Sand art
- Tile projects
- Knitting and crocheting
- Model Magic and Playdough
- Origami kits
- IV pole decoration kits
