Thoracic Surgery Initiative

Intra-operative LN naming protocol
Jun 14, 2016

<u>Method 1</u>:

      Name LN station

      Submit each LN separately (even if LN consists of multiple fragments)

            e.g. Station 4R LN #2 for second LN submitted from 4R

<u>Method 2</u>:

      Name LN station

      Name the number of LNs included in station specific submission
